

UPDATING YOUR CONTENT CHECKLIST

CAN YOU USE ANY OF THESE TIPS TO UPDATE YOUR BLOG POSTS

- Craft a great headline
 - Write a post that's at least 800 words long
 - Include images in your content wherever you can
 - Include examples & screenshots in your content wherever you can
 - Make freebies for each of your blog posts
-
- Share every blog post to social media
 - Share every freebie you create to social media
 - Make an exclusive library for subscribers so they can access all your free content
